

Banana Cake

Ingredients:

125g butter

150g caster sugar

1 egg (beaten)

1 tsp vanilla extract

2 very ripe bananas, mashed

190g self raising flour

60ml milk

2lb Loaf Tin

Method:

Grease and line the loaf tin.

Melt the sugar and butter with the vanilla extract in a saucepan over a medium heat.

Remove the pan from the heat , add the mashed bananas and mix well

Next mix the egg in

Now mix in the flour and the milk

Pour the mixture into your tin

Bake in the oven (170 C / gas mark 3) for about 35 minutes (test with a skewer, when it comes out clean it's done)

Leave to cool.

Enjoy!
